

## FINNEGAN CASE SCENARIO

---

Megan and Randy Finnegan are married. Randy has a daughter, Sloan, from a previous relationship. The family lives in a rental house in Hennepin County at 4000 Cedar Avenue in Minneapolis (55403) and can be contacted at 612-888-8888. They speak English and want to apply for all health care programs.

1. **Megan**, who is completing the application, was born on January 19, 1969. She is Asian, pregnant (due on the 19<sup>th</sup> of next month) and requesting coverage. She has a social security number (000-00-0000) but is not a U.S. Citizen. Megan entered the United States on January 19, 2001, as a Lawful Permanent Resident. She was sponsored by the World Peace Organization at the time of her entry but they are no longer her sponsor.
2. **Randy** was born on January 19, 1968, and is white. Randy is a U.S. Citizen born in Farmington, Minnesota and his social security number is 111-11-1111. He is requesting coverage. He has worked for Hofstad's TV Repair for 22 years and earns approximately \$500 each week. Hofstad's dropped the company health insurance eight months ago and the family has been without coverage since that time. Randy owns the family car, a 1992 Toyota Corolla worth \$1500, and has a checking account at TCF with a balance of \$100.
3. **Sloan** was born in Farmington, MN, on January 19, 2001. Her social security number is 123-45-6789 and she considers herself to be white. Sloan is requesting coverage. Sloan's mom, Carla, and dad divorced five years ago. Carla died last year. Since her mother's death Sloan has been receiving Survivor's Benefits through the Social Security Administration in the monthly amount of \$300. Sloan visited the emergency room last month due to an ear infection.
